

Voltage

History

- *Alessandro Giuseppe Antonio Anastasio Volta*
- Italian physicist developed the first battery using *zinc* and *copper* electrodes submerged in *sulfuric acid*

Characteristics

- ***Voltage*** = electric pressure or Electromotive Force (EMF)
- ***Volt*** = “unit” of voltage
- ***V*** = symbol for the “unit” of voltage
- ***E*** = symbol for voltage
(*V* is sometimes used also)
